- Orchestrated role-based access control with hierarchical permissions for administrators, teachers, and students
- Tech Stack:** Laravel, MySQL, JavaScript, AJAX, jQuery, Bootstrap, REST APIs

Room Buddy – Property Rental Marketplace

- Launched a MERN-stack property rental platform with advanced search for 100+ listings.
- Added JWT-based authentication with role-based access for tenants, landlords, and admins.
- Designed responsive UI with real-time filtering, image galleries, and Google Maps integration.
- Integrated Razorpay for secure rent and deposit payments with 99.9% uptime.
- Enabled real-time chat using Socket.io for improved user communication.
- Tech Stack:* MongoDB, Express.js, React.js, Node.js, Socket.io, Razorpay.

Education

BBD University

*Master of Computer Applications (MCA)*

- First Year SGPA: 8.15
- Relevant Coursework: Advanced Database Systems, Web Technologies, Data Structures & Algorithms

Lucknow, India

2022 - 2024

BBD University

*Bachelor of Computer Applications (BCA)*

- CGPA: 7.29
- Relevant Coursework: Programming Fundamentals, Database Management, Operating Systems

Lucknow, India

2019 - 2022

Certifications

- MERN Stack: React JS, Node JS, Express JS, MongoDB** - Analyze Infotech, Lucknow (Feb - May 2024)
- Java: Swing, JDBC, Servlet, JSP, JavaScript** - Shri Balaji InfoTech (Certificate No. SBIT000451)
- PHP and MySQL** - Analyze Infotech, Lucknow (Jan - May 2022)

Additional Achievements

**Coding Prowess:** Solved 100+ LeetCode challenges in Java

**Leadership:** Led a team of 3 developers to complete a client project 2 weeks ahead of schedule

**Growth Mindset:** Regularly participate in tech webinars and hackathons

**Open Source:** Contributed to multiple GitHub projects, focusing on UI improvements

**Soft Skills:** Strong communication, teamwork, critical thinking, and flexibility.
